

ENGINEEREDPRODUCTS.COM
P 720.874.9090
12860 W CEDAR DR. #102 | LAKEWOOD, CO 80228

Cooling Towers, Fluid Coolers and Evaporative Condensers. 5 to 50,000 Tons, Field Erected & Packaged -Counterflow & Crossflow.
www.spxcooling.com

Variable Frequency Drives for HVAC.
www.danfossdrives.com

Custom air handlers.
www.climatecraft.com

Commercial Water Source / Geothermal Heat Pumps. Water-to-water and water-to-air heat pumps, and rooftop packages.
www.bosch-climate.us

Vertical stacked water source heat pumps, air-cooled self-contained units, and water-cooled self-contained units.
www.skymarkinternational.com/

Hydronic fan coil systems.
www.iec-okc.com

VRF outdoor units from ducted and non-ducted indoor units, controls, and accessories.
www.smartflex-hvac.com

Swimming pool dehumidification air handling.
www.serescodehumidifiers.com

Modular chillers and packaged rooftops.
www.climacoolcorp.com

Custom air handling units.
Pre-fabricated chiller and boiler plants.
Custom pump and heat transfer skids.
www.tmiclimate.com

Air-cooled and water-cooled chillers, air handlers and fan coil units.
www.dbamericas.com

Custom packaged DX systems and make up air handlers, and energy recovery solutions.
www.seasons4.net

The most innovative technology in packaged DX rooftop units and split system units.
www.lennoxcommercial.com

Chilled Beams, Heat Recovery & Energy Recovery Units, and Air Treatment Solutions.
www.semcohv.com

Finned tube baseboard, cabinet unit heaters, convectors, steam and hot water heaters, radiant ceiling heating and panel radiators.
www.sterlingheat.com

Bendable copper piping solution with tools and accessories to reduce leaks and improve installation quality.
www.armstronginternational.com

Chemical-free water treatment systems.
www.flowtechsystems.com

Water reclamation for reuse as cooling tower, toilet, or irrigation makeup water.
www.aquanomix.com

Electric, gas-fired, steam-to-steam, & compressed air humidification solutions.
www.armstronginternational.com

Automatic flow control, balance valves & hose kits for fan coil units, water source heat pumps, & air terminal box coils.
www.nutech-valves.com

Automatic flow control, balance valves & hose kits for fan coil units, water source heat pumps, & air terminal box coils.
www.haysfluidcontrols.com

Plate & frame heat exchangers.
www.spxflow.com

Advanced temperature, humidity and environment control equipment.
www.agronomiciq.com

Water Source Heat Pumps with conventional water cooled air conditioning and hydronic space heating.
www.bulldogheatpump.com

Energy recovery and dehumidification systems for commercial applications. Employing the very latest in passive heat transfer technology.
www.heatpipe.com

Filtration & separation technologies for cooling tower/HVAC water, process fluids/water & waste water.
www.pepfilters.com
